AQUATICS FACILITIES

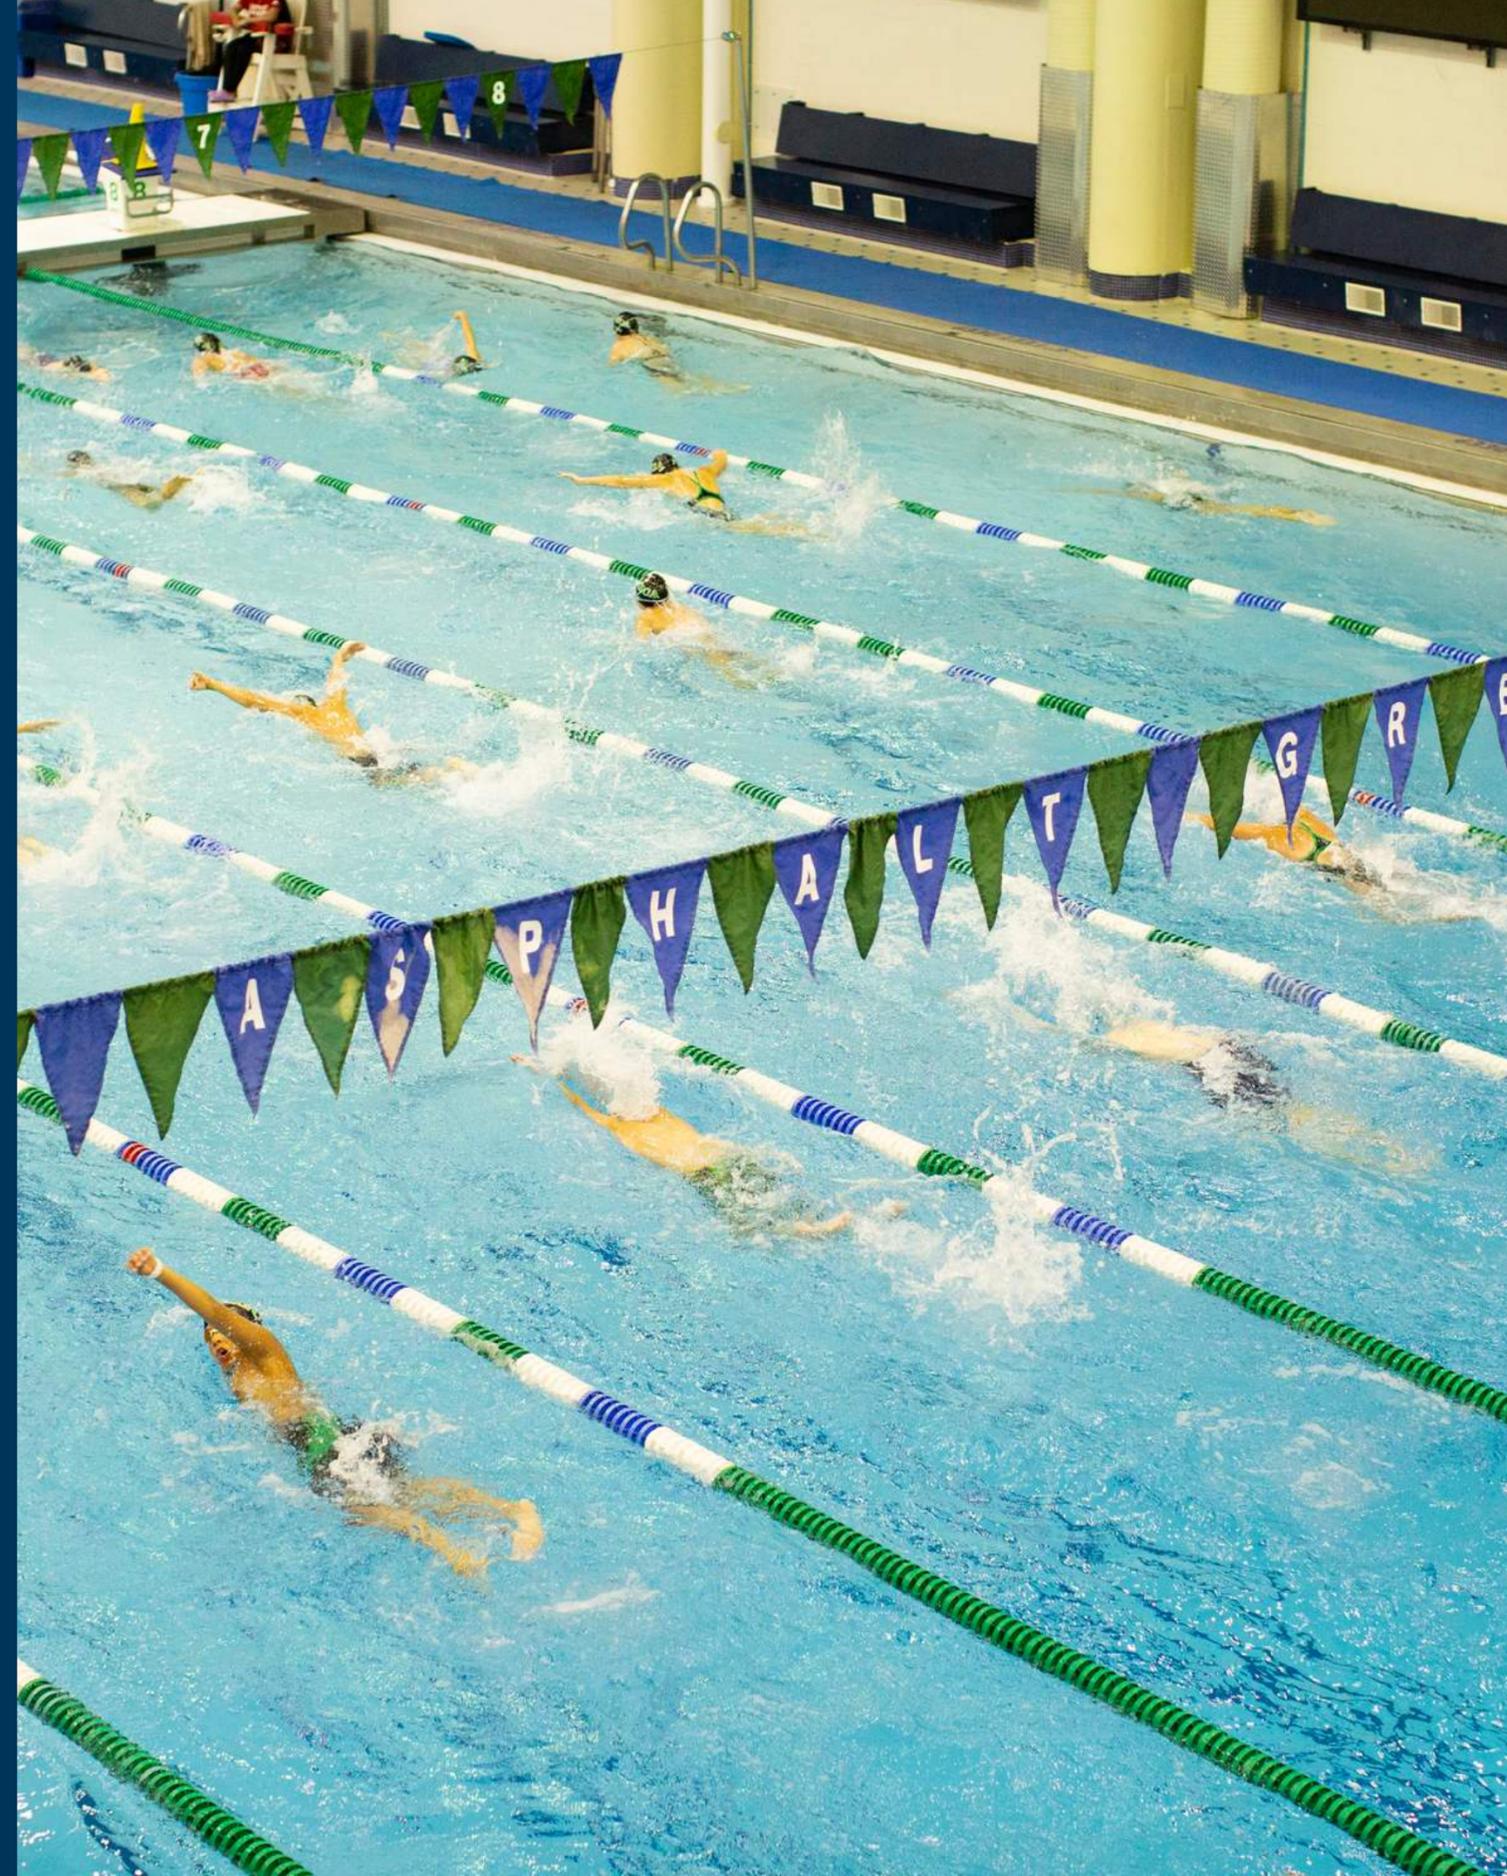

OLYMPIC POOL

Our Olympic-sized swimming pool is designed to maximize your facility's potential without compromising on quality. With a 50-meter length and 25-meter width, we've optimized every inch to offer a professional-grade swimming experience, perfect for competitive training, swim meets, and fitness enthusiasts.

The pool features an advanced filtration and heating systems to ensure pristine water quality and comfort. While maximizing our space, we've created a premium setting where athletes can thrive and spectators can stand and enjoy the action.

Ideal for high-traffic venues, our innovative design allows for standing clients, enabling a larger crowd to view events while still maintaining a top-tier swimming environment. Perfect for sports clubs, event venues, and fitness centers that want to offer world-class experiences without the need for sprawling facilities. Bring the thrill of Olympic-level swimming to your space with our compact, efficient, and modern pool design!

TEACHING & EXERCISE POOL

Transform your fitness or wellness center with our Teaching and Exercise Pool, designed to provide a safe, versatile, and effective space for all skill levels. With a shallow depth (3ft and 10in) and warm temperature (89 - 92 degrees), this pool is perfect for beginners, water aerobics, rehabilitation, and swimming lessons. Its controlled environment ensures a comfortable and supportive experience for swimmers of all ages, while its easy accessibility allows instructors to guide students with ease.

Ideal for fitness clubs, rehabilitation centers, or community facilities, our pool offers a perfect balance of functionality and relaxation, making it the ultimate space for teaching, fitness, and water-based exercises. Elevate your offerings and help your clients achieve their goals in a welcoming, low-impact setting.
